

CANCELLATION POLICY

Life can get hectic, and we understand that sometimes you may need to change your appointment.

We are happy to accommodate appointment changes, when you ***notify us at least 24 hours in advance*** (48 to 72 hours is ideal).

If, however, you cancel giving us less than 24 hours notice or fail to notify us at all, we will need to charge you \$75 for a broken appointment.

Thank you in advance for your cooperation.

I have read and I understand this cancellation policy
